

Mrs. Parlow

Trosenhallen Sanatorium

Christiania

Stockholm 3/8 915. Dear Mrs. Parlow. First
of all we send You, Kathleen and to all those
in W. K. Scheller who were so kind to us heartiest
greetings. - Weather here smooth, raining; to night
we go farer to the east. - Would You please inquire
by our chamber maid. I left in one of the draws
some underwear, towels, stockings, all what I
needed for traveling. - Take it and give it to
Petrovitch or Neuscheller. They will bring it
for me to Petrograd. - Best kisses for You
both. -
